

Stop no.1 - Nature trail called „Around Štimberk“

Nature trail called „Around Štimberk“ is approximately 5 km long and is divided into two parts „Pod (under) Hůrama“ and „Na (on) Hůrách“. The route goes through the forests and meadows where you can get to know this lovely place from the point of view of historical, geological, archeological, fauna and flora. There are two rest areas and scenic view with splendid view to local landscape.
